MESSAGE FROM OUR MAYOR

I can't believe it is already the end of March! They say time flies when you're having fun and I have certainly been enjoying every opportunity to attend community events and meet many of you.

Our International Women's Day morning tea on Wednesday 8 March was a great success, with over 200 people coming along to celebrate the social, economic, cultural, and political achievements of women and girls.

Our panellists discussed this year's theme 'Cracking the Code: Innovation for a Gender Equal Future'. As a geology major at university, the owner of a consulting business, and co-founder of the TechDiversity Foundation, this year's theme is something I feel especially passionate about.

In Australia, the technology sector underpins seven of the nation's top 10 performing industries but women only form 23% of it! Unless women are actively engaged in shaping the future of technology, our industry won't have the means to contribute to economic and social life as it needs to.

Coming together and having hard conversations like we did on International Women's Day is an important step but we need more than rousing campaigns, inspirational hashtags and rational argument to crack the code to gender equality in science, technology, engineering and maths. We need committed leaders who lead by example and personally oversee a workplace culture that enshrines equality, respect and inclusiveness across their organisations.

On page three you'll find the services happening across Manningham this ANZAC Day. We're lucky to have three active RSLs in our local area, Doncaster, Templestowe and Warrandyte. I encourage you to visit your local RSL on ANZAC Day and pause to remember all Australians who have served and died in war and operational service, past and present.

At our February Council meeting, our new Reconciliation Action Plan 2023-25 (RAP) was officially endorsed, the most recent milestone in a journey that began in 1997. This is an important step in ensuring we continue to plan and create opportunities for First Nations peoples and support a culturally safe and thriving city.

The RAP was developed in partnership with Wurundjeri Woi-wurrung Corporation and local First Nations peoples. We thank them for their contribution and generosity in helping us to produce this document. We also thank the Reconciliation Action Plan Working Group who guided its development.

Our RAP was officially launched on Saturday 18 March, at the Yaluk Langa ('River's Edge' in Woi-wurrung language) Indigenous garden at Heide, in Bulleen.

You can see some of the ways the RAP is in action around our community on pages eight and nine.

Finally, I want to say a big thank you to more than 40 volunteers who worked hard at three sites across Manningham for Clean Up Australia Day. We are lucky to have a community that loves and respects our natural environment

Warm regards,

Cr Deirdre Diamante

Mayor

Marching with Pride

Up for the challenge

When the Donvale Lions Club saw the new mini recycling stations around Manningham last year, they set themselves a challenge.

They wanted to see who could collect the most items, have the most diverse collection and find the most interesting story behind an item. Together, they saved approximately 300 items from landfill.

Taking advantage of the convenient drop off at the Doncaster Library, the most popular items collected were CDs and DVDs, batteries, and X-rays.

The group saw it as an easy way they could make a difference. Active across Manningham, they work to raise funds and serve their community.

#RacismNotWelcome in Manningham

You may have noticed some new signs popping up around Manningham recently. The Racism Not Welcome initiative started as a way of addressing racism and has now been adopted by 11 councils.

These signs remind us that racism exists and encourage us to talk about this issue. By increasing awareness, we can spark positive change in our community.

We're proud of our community and how respectful we are to each other. However, we know that racism does exist in Manningham – as it does everywhere. How? We've heard from members of our multicultural communities who have been impacted by it.

These signs help us send a message that racism is not welcome in Manningham or anywhere else.

Keen to improve your English?

Every week in libraries across Manningham, dozens of valuable conversations are being had. Volunteers sit and chat, helping to improve the skills and confidence for those learning English as a second language.

Conversation Buddies and Conversation Circle programs run at all Whitehorse Manningham Libraries. The programs have been running for years with great success, connecting the community across all library locations.

Up to 30 volunteers meet with keen learners each week. The focus is on conversational English. There's no homework or set lesson plans, just a Conversation Buddy (or small group) sharing their lives for an hour or so.

Buddies can share anything - from holiday tips to cultural traditions, job interview skills to the best places to shop or visit locally. The program has also created lasting friendships.

Welcoming our newest citizens

We welcomed 75 new citizens from 19 countries during our Australia Day Citizenship Ceremony, held at Doncaster Civic Centre on Thursday 26 January.

One of the new citizens was Gabriel Arata from East Doncaster, a TV producer and writer originally from Italy. Gabriel shared that for him, becoming a citizen means finding a place where he can belong.

"I came here at the age of 38 and it wasn't easy... but Australia gave me a chance to start over and find my own new life path," he said.

"When I first landed in this bountiful land, I envisioned that one day I will become a citizen. Now I can proudly say I'm an Aussie. This achievement represents to me something very deeply meaningful and profound."

The event in January was the first time since the pandemic that community group representatives were on hand to welcome the new citizens.

Manningham Mayor, Cr Deirdre Diamante said Manningham had a proud tradition of welcoming people from multicultural backgrounds.

"We are a proudly culturally diverse city, with 44 per cent of our population born overseas and almost half of our residents speaking a language other than English at home.

Events like these give us a chance to reflect on what it means to be Australian and what we have to be grateful for, living in this amazing country."

Guests were also invited to attend the special Walking the path together – healing ceremony. This event, hosted by Manningham Council together with Wurundjeri Woi-wurrung elders, was held directly after the Citizenship Ceremony in the MC Square forecourt.

Attendees came together to respectfully reflect on, and acknowledge, a shared history and learn more about the First Nations story and culture.

"I encourage everyone to take time and reflect on what it means to be an Australian citizen: our shared values, our national history, our First Nations heritage, and our commitment to reconciliation," Cr Diamante said.

ABOVE: Friendly smiles all round — members of Donvale CWA.

For 30 years a delicious array of sandwiches and cakes have been bestowed upon our newest citizens following their official Citizenship Ceremony welcome!

The smiling faces (and bakers) behind the morning tea table are members of the Donvale Country Women's Association (CWA) are hanging up their Citizenship Ceremony aprons for the last time.

Glenys Ball, Donvale CWA president said, "It has been such a privilege to cater for supper for the Citizenship Ceremonies and to be able to welcome the new Australians to our wonderful country and to Manningham. It's such a joy to see the participants with smiles on their faces."

"For some it must have been a very hard decision to leave their country of birth and ancestors, and others it must have been a very hard journey to migrate to Australia. They bring so much to our city, and we enjoyed meeting the new Australians and talking to them and their families at supper."

Manningham Mayor, Cr Deirdre Diamante, thanked the group for their contribution.

"I want to sincerely thank you for providing this incredible service. As well as providing lovely food to our new citizens and guests, your friendly smiles and conversation ensured everyone felt welcome and comfortable on these big occasions."

Working towards reconciliation

Our new Reconciliation Action Plan 2023-25 (RAP) was officially endorsed at the February Council meeting. This is an important step in ensuring we continue to plan and create opportunities for First Nations peoples and support a culturally safe and thriving city.

On Saturday 18 March, we launched our new RAP at an event at the Yaluk Langa ('River's Edge' in Woi-wurrung language) Indigenous garden at Heide, in Bulleen.

Reconciliation action plans provide a framework for organisations to use their influence to support the national reconciliation movement and our new RAP, endorsed by Reconciliation Australia, will explore, develop and embed strategies to advance reconciliation across Manningham.

Manningham Mayor, Cr Deirdre Diamante said the new RAP is the most recent milestone in a journey that began in 1997.

“It was developed in partnership with Wurundjeri Woi-wurrung Corporation and local First Nations peoples. We thank them for their contribution and generosity in helping us to produce this document. We also thank the Reconciliation Action Plan Working Group who guided its development.”

The Mayor said Manningham is committed to being an inclusive and connected community.

“We proudly acknowledge the Wurundjeri Woi-wurrung people as the Traditional Owners of the land and waterways known as Manningham and are respectful of the Victorian First Nations communities. We recognise and respect the deep and continuous connection the Wurundjeri Woi-wurrung people have for the land Manningham Council operates on.

“We recognise that although there is still much work to be done, local government has a key role to play in the achievement of reconciliation.”

It is our hope that this RAP supports us to:

- Create meaningful relationships
- Recognise and support First Nations self-determination and cultural rights
- Build understanding of our shared history
- Celebrate, recognise and respect First Nations cultural heritages
- Educate our community on First Nations culture and history and provide them with an opportunity to take an active part in the process of reconciliation.

manningham.vic.gov.au/RAP

Here's just a few of the places you'll see the RAP in action:

wongium wilam (pronounced won-goom-wil-lum)

The renaming of this much loved playspace in Warrandyte was officially endorsed in 2021.

At the Asia Pacific Spatial Excellence Awards, we were honoured for acknowledging traditional owner language, preserving culture and inclusive engagement, receiving the 'Excellence in place naming' award.

The award recognises the process taken to engage the community and respect the First Nations cultural heritage of the area, acknowledging traditional owner language.

An upgrade of the park, including the new playspace, BBQ shelter and artwork was completed in 2022, creating a welcoming and inclusive space for all ages.

Healing Ceremony

On 26 January our community came together for a special event – Walking the path together – healing ceremony at MC Square. Hosted in collaboration with the Wurundjeri Woi-wurrung, the event was a meaningful, reflective, and respectful demonstration of unity.

We came together to acknowledge our shared history and learn more about the First Nations story. This event featured a dynamic performance by the Will Shake Spears cultural dance group.

Unfinished Business Photographic Exhibition

24 May until 29 July 2023 at Manningham Art Gallery

The *Unfinished Business* exhibition reveals the stories of 30 First Nations people with disability. Their deeply personal stories are complex and intertwined with Australia's political and social history, which has resulted in today's unacceptably high rates of disability in Australia's First Nations communities.

This is a collaborative project between participants and Artist and Social Documentarian, Belinda Mason Knierim OAM.

With thanks to Australian Museum for loaning *Unfinished Business* to Manningham.

First Nations Peoples should be aware that this exhibition contains images, voices, or names of deceased persons.

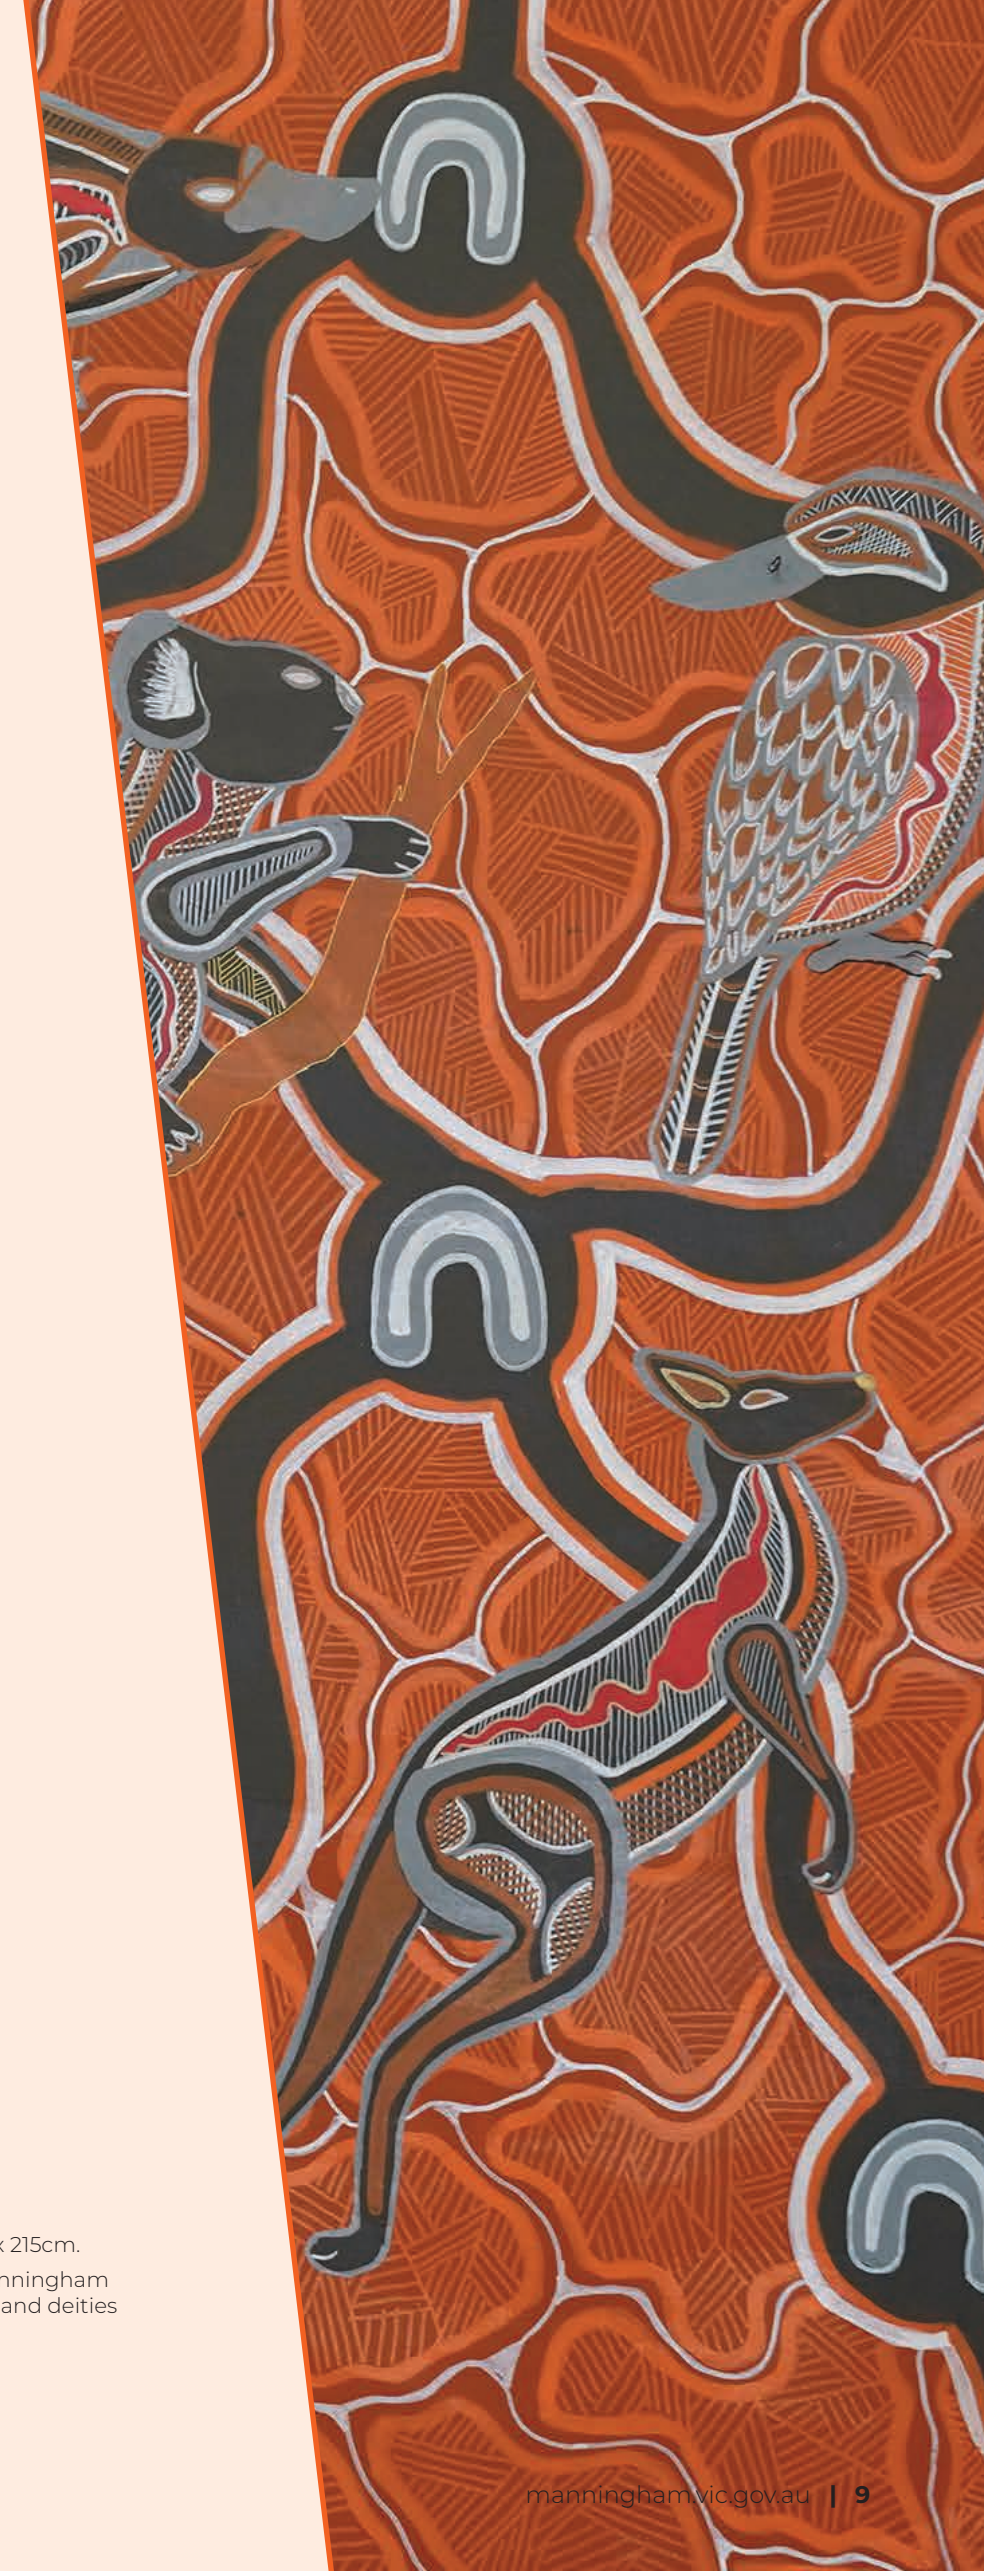

Wurundjeri Woi-wurrung Community Consultation Committee

Every eight weeks, Council and elders from Wurundjeri Woi-wurrung Corporation meet to discuss issues of importance relating to land and culture within Manningham.

This Committee and the Reconciliation Action Plan Working Group ensure Council maintains respectful relationships with First Nations people and local organisations to advance our journey towards reconciliation.

Making compost, not landfill with FOGO

From July, you will be able to recycle your food waste into compost by placing it together with your garden waste into your green lid bin.

This is all part of your new Food Organics Garden Organics (FOGO) service, which will divert waste away from landfill and instead create compost to enrich our soil.

If you can eat it or it grew in the ground, it will be able to go in your green lid FOGO bin. This includes all food scraps from your kitchen and garden waste.

If you're already composting at home, that's great. FOGO is good for many food items that aren't usually suitable for home composting systems, like citrus, meat and bones.

YOUR FOGO STARTER KIT IS ON ITS WAY

We're starting to deliver FOGO kits to households across Manningham to help everyone get ready for FOGO. If you haven't received yours, it's on its way so keep an eye out.

Your kit will include a kitchen caddy, a roll of compostable liners and an information booklet with plenty of information to help you get started.

WHAT HAPPENS TO YOUR FOOD AND GARDEN WASTE

Once FOGO starts, your green lid FOGO bin will be collected weekly and your red lid garbage bin will be collected fortnightly.

Once collected, your food and garden waste will be taken to Bio Gro's organics facility for processing into high-grade compost that is then used in gardens and farms across Victoria.

Βιολογικά προϊόντα τροφίμων Βιολογικά προϊόντα κήπου (FOGO)

Η υπηρεσία FOGO σχεδόν έφτασε! Μην ξεχνάτε ότι από τη Δευτέρα 3 Ιουλίου θα έχετε τη δυνατότητα να τοποθετείτε τα απόβλητα τροφίμων στον υπάρχοντα κάδο με πράσινο καπάκι, μαζί με τα απορρίμματα του κήπου σας προκειμένου να ανακυκλωθούν σε κομπόστ. Αν κάτι τρώγεται ή φυτρώνει στο έδαφος, τότε μπορεί να τοποθετηθεί στον κάδο FOGO με το πράσινο καπάκι.

Ξεκινήσαμε να διανέμουμε σε νοικοκυριά σε όλο το Manningham το αρχικό πακέτο της υπηρεσίας FOGO για να σας βοηθήσουμε να προετοιμαστείτε για την έναρξη της νέας υπηρεσίας. Το πακέτο σας θα περιλαμβάνει ένα καλαθάκι απορριμάτων κουζίνας και κομποστοποιήσιμες σακούλες σε ρολό, που θα σας βοηθήσουν να συλλέγετε και να μεταφέρετε τα απόβλητα τροφίμων στον κάδο σας με το πράσινο καπάκι. Our community drives into a greener future

If you're looking for a cost effective, sustainable and easy alternative to car ownership, carsharing may be the key!

You can now hire vehicles on demand as part of our 18-month Doncaster Hill carshare trial with GoGet.

This means you can hire vehicles by the hour, or by the day, without the parking hassles when you're done.

The service is already proving popular with locals, clocking up more than 2479 driving hours since the trial started in November last year.
