1. Arts Grant

The Arts Grant enables not-for-profit groups and organisations to deliver arts, cultural and heritage activities. These activities reflect the diversity of the Manningham community and align with the priorities outlined in Council plans and strategies. They focus on positive ageing, youth wellbeing, accessibility, and social isolation.

The Arts Grant category will support applications that:

- contribute to the vibrancy of life in Manningham
- enable the delivery of community-led, arts, cultural and heritage activities across Manningham
- encourage partnerships between groups, organisations and businesses for the delivery of improved outcomes
- encourage innovation and best practice.

1.1. Objectives

Arts Grants aim to:

- enable diverse arts and cultural expression across a range of different types of art (these may include digital arts, literary arts, participatory arts, performing arts, visual arts)
- enable participants with a sense of belonging through activities that include all members of the Manningham community
- enable artists and participants with a sense of feeling valued
- support the local creative industry by ensuring local artists are engaged as part of the project

Arts Grant applicants must demonstrate how the activity will achieve **at least two** of the grant objectives above to be eligible for funding.

1.1.1. Funding details

Allocation	Funding between \$3,001 and \$20,000 is available. Allocations are for one financial year and are not recurrent. The total notional allocation is \$50,000 per annum.
Timing	There is one Festival and Events Grant funding round per year - available annually in February.
Funding announcements	Applicants will receive notification of the outcome of their application within three weeks of Council making a decision. Successful applicants will be required to enter into a formal funding and service agreement (FASA). Applicants who are unsuccessful may request feedback from Council officers regarding why they were unsuccessful and how the application may be improved for the future.

1.1.2. What types of activities might be funded?

Examples could include:

1. An arts activity that encourages Manningham residents to celebrate significant occasions.
2. Community arts initiatives, such as an artist led mural or performance.
3. Artist-led place activation creative initiatives.
4. Arts projects and artists fees that feature within festivals and events.
5. Cultural projects that support and/or celebrate local history.

- *Please note: Individual artists are not eligible to apply but can be auspiced by a Not-for-Profit organisation.*

2. Eligibility: Who can apply for a grant?

All grant applications are checked against eligibility criteria. At this stage of the assessment process, anyone who is not eligible will be removed from the process.

Grant applications must be from:

- a not-for-profit constituted body such as an Incorporated Association or a Company by Limited Guarantee, or
- auspiced by an incorporated not-for-profit organisation that is able to accept legal and financial responsibility for the grant and activity, or
- A school. Schools are encouraged to partner with community groups in activities that benefit the wider community.

What does "Auspice" mean?

If a not-for-profit organisation is not incorporated or has limited organisational capacity, another eligible organisation can auspice on their behalf. In this context, the auspice organisation would receive the grant funding and have responsibility for ensuring that the activity is completed on time. A letter from the auspicing organisation that confirms the arrangement must be submitted with the grant application form.

In addition to the above criteria, organisations must also:

- be located or deliver activities within the City of Manningham
- have a public liability insurance policy for a minimum of \$20 million coverage
- determine legislative requirements related to the funded activity. For example, if the funded activity involves contact with children, a Working with Children Check may be required
- have no outstanding debts to Council
- provide an Incorporation Number
- provide an ABN or completed Statement by Supplier form
- provide a financial statement as per the requirement of operating an Incorporated Association, Charity or Company Limited by Guarantee
- provide written quotes for all expenditure items over \$500 that are essential for the delivery of the activity. Goods and services are to be provided by ABN registered suppliers.
- apply before the closing date.

Council's Community Grants Program also offers grants in the following categories: Community Development, Festival and Events, Community Partnership and Small Grants.

Applicants may apply for a grant in more than one grant category each financial year however the application must be for a different activity. A separate application form for each grant category must be completed and submitted by the due date.

Late applications will not be accepted under any circumstances. For more information on application requirements please refer to the Checklist on page 14.

Funding in the annual grant categories is for one-off projects and activities, however requests for funding for a second year of a project or activity may be accepted in the Arts category. To meet the criteria for second-year funding, applicants will need to demonstrate how the second year expands on the initial project and to demonstrate the need for additional funding.

2.1. Who is not eligible to apply?

- have a religious or political purpose which seeks to promote core beliefs
- duplicate existing services/activities unless it can be demonstrated that it meets an unmet community need
- would normally be part of a reasonable operating budget for the organisation, i.e. staff salaries or administration
- project management and administration costs for the grant-funded program may be accepted up to a maximum value of 20% of the grant value
- are funded through other Council programs or activities, including grants and sponsorship programs

- are listed as a sports club responsibility as set out in Council’s [Outdoor Sports Infrastructure Guidelines](#)

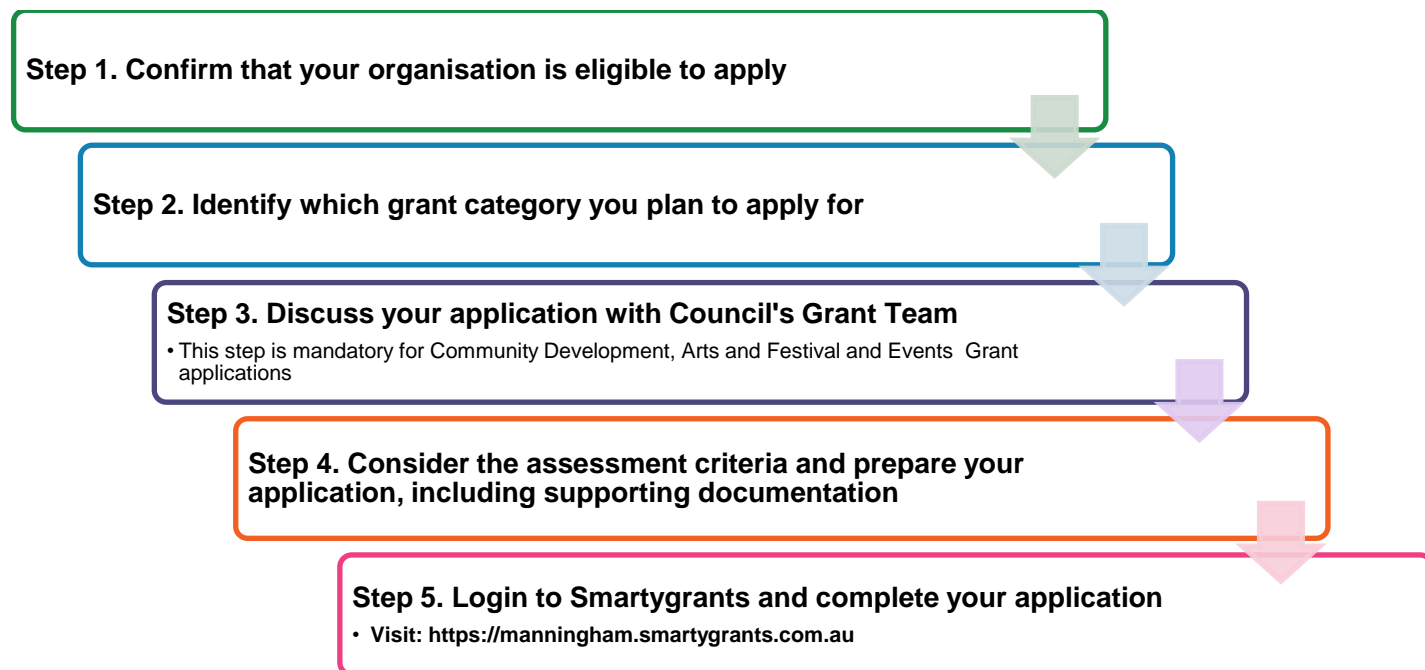

What is an "Incorporated Association"?
